with you everywhere!

Your new route to independence

RASCAL 

Rascal **Smilie** & **Smilie** Auto Profile:

The **Rascal Smilie** is available in 2 options, its easy-to-fold mechanism allows you to fold the **Smilie** manually for easy transportation and storage or opt for powered auto folding and watch as it folds down with the click of a button in a matter of seconds.

Featuring four equally sized 8" wheels at each corner for extra stability the **Smilie** is the first folding scooter with a delta-bar tiller. The compact & clever styling makes it easy to manoeuvre, lightweight and perfect for travelling at home or overseas.

Enjoy the convenience & impressive durability...

**...at home
or away!**

Clever, practical **front handle** increases accessibility

OPTIONAL

Extras:

- Anti-Splash seat bag
Safely transport your belongings & travel essentials with this compact, bespoke **Smilie** accessory.

Air travel & CAA Lithium-ion Battery Legislation

Airline Compliant 11.6Ah battery weighs just 2.8kgs / 6.2lbs for overseas travel & can be taken on a plane.

The Long Range 17.4Ah battery **cannot** be taken on a plane.

Choose one of each, so you can travel up to 11.2 miles at home or 7.5 miles when you are away with the Airline Compliant battery.

Foldable & compact, simple to store or transport.
Shown here in Horizontal fold position & Vertical storage position.
