

DO YOU WANT COMPLETE PEACE OF MIND ?

Advance electrical mobility can offer you complete peace of mind, not only in dealing with us in purchasing your mobility scooter or powered wheelchair, as well as our water tight guarantee

Mobility scooters and powered wheelchairs open up whole new avenues of opportunities in both the ability to get out and about and to become more mobile around your home and community. It is therefore of the greatest importance that you are completely protected against any eventuality such as having an accident, your product stolen, damaging someone else's property or even bumping into them and causing injury. The financial cost of such an accident can be considerable and you can be held personally liable for claims and costs made against you. The Publics awareness and occurances of such cases has dramatically increased as a result of the recent spate of media advertising.

To have complete peace of mind contact us now !
