Keep your mobility moving

Now is the time to get your mobility scooter or powered wheelchair serviced or repaired for the year ahead. We service and repair all makes and models of mobility scooters and wheelchairs both powered and manual. regular servicing will prolong the life of your mobility scooter or wheelchair. It may even show an early fault. A loose wire now but in six months time could be a burned out motor. Book your scooter or wheelchair in now with us to give yourself trouble free mobility for the year to come. We even have a special reduced price on our servicing for this month . Our engineers are fully trained and fully insured to carry out repairs, servicing and maintenance.
