About Cosyfeet stockists

Cosyfeet stockists are independent businesses who buy and re-sell our products. We leave it to them to decide what to stock although most will be happy to order in any item you see in this catalogue. If you purchase from a stockist your contract will be with the retailer and subject to their terms of business, including their returns policy. **The Cosyfeet NO QUIBBLE MONEY BACK GUARANTEE does not apply to purchases made through stockists.**

Some stockists may be able to offer VAT Relief on footwear if you have a qualifying medical condition. Please contact them for further information. Any queries regarding your rights under the General Data Protection Regulations should be directed to the stockist.

Due to continual improvements and developments within our range there may be some slight variations to the specifications and colours shown in this catalogue. Cosyfeet reserve the right to withdraw or alter the specification or price of a product without prior notification.

Cosyfeet[®] extra roomy

for extra wide or swollen feet

Our specially designed footwear caters for swollen feet, offering significantly more **width, depth, and space** than the standard wide-fitting shoes available from other retailers. As a small, caring company with over 40 years of experience in fitting swollen feet and legs, we are **dedicated to providing the perfect fit**.

- > Exceptionally wide, deep & roomy – but look like ‘normal’ shoes
- > Very adjustable – fit a range of swelling
- > Easy to get on & off swollen feet
- > Can also fit bunions, problem toes, orthotics & bandaging

Where quality & style meets blissful comfort

We believe that swollen feet should have the most comfortable, stylish footwear possible. That's why we combine the latest trends with premium materials, expert shoemaking and advanced foot comfort technology. Thanks to innovations such as our 'hidden depth' design, our footwear fits swollen feet with ease but still looks stylish and streamlined.

Endorsed by UK experts

We are highly recommended by healthcare professionals, and also recognised by the Healthy Footwear Guide – a collaboration between UK footwear brands and foot health professionals.

Is Cosyfeet right for you?

Cosyfeet is specially designed to fit swollen feet. Some styles can also fit bunions, problem toes and bandaging. All our footwear has the same extra roomy width fitting (6E for women and 3H for men). Don't worry if you don't know your width fitting, most of our styles are adjustable and can cope with a range of foot shapes and swelling. To put it simply, if you have swollen feet and you can't find footwear to fit, we can probably help. If you don't have swollen feet you may be interested in our E-Fitting slippers - see page 96 for further information.

Look out for our product features...

Do I need to take care if I have diabetes?

Yes. We are aware of the problems that people with diabetes may have and so we offer footwear and socks with minimal seaming. However, not all our products may be suitable for your feet, so you need to make your own judgement or ask a medical advisor. Please run your fingers inside any item before wearing, checking for anything that may harm. After buying new footwear, wear it for 30 minutes to 1 hour at first, then inspect your feet for pressure marks or irritation. A hand mirror is useful so you can examine your whole foot. Gradually build up the wearing time. For more information visit [diabetes.org.uk](https://www.diabetes.org.uk)

What size do I need?

Most customers find that the shoe size they wore before experiencing swelling (e.g size 6) is wide and deep enough to provide the extra room they need. If we don't offer a half size in the style you want we recommend you try the smaller full size.

Strap extensions

If your feet are especially swollen, we can supply matching strap extensions to lengthen the straps on most touch-fastening styles. All strap extensions are £5 per pair (without VAT £4.17).
